

North East Trillium Hunter Jumper 2020

Miscellaneous and Non- Core Classes and Divisions

These non-core divisions require only an Equestrian Canada Bronze sport licence and Ontario Equestrian membership. However most of our shows for 2020 will only offer Silver level licensing. **If Bronze level**, the horses or ponies do NOT require a horse recording number (passport). To qualify for yearend North East Trillium Awards, the riders must have THJA memberships and must participate in a minimum of four (4) shows.

0.75 m Jumper Division

There will be three classes, to be judged as Table A classes **but against an optimum time**. Rider with the fewest jumping faults and closest to the optimum time, **but not under it, will be placed first**. Where riders have an equality of faults the will be ranked according to closest to Optimum time without exceeding it, then to next number of faults and again ranked by the closest to optimum time but not under it. Riders faster than the posted optimum time will not be placed. Optimum time to be determined by the course designer in consultation with the judge and show steward.
