“

Equestrian Canada Statement of Principle

Equestrian Canada (EC), the national equestrian federation of Canada supports adherence to the humane treatment of horses in all activities under its jurisdiction.

All persons shall be committed to:

- upholding the welfare of horses, regardless of value, as a primary consideration in all activities;
- requiring that horses be treated with kindness, respect and compassion, and that they never be subjected to mistreatment;
- ensuring that all Equestrians including owners, trainers, and competitors, or their respective agents, use responsible care in the handling, treatment and transportation of their own horses as well as horses placed in their care for any purpose;
- providing for the continuous well-being of horses by encouraging the routine inspection and consultation with healthcare professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort and safety as a matter of standard operating procedure;
- Providing current information on Code of Practice for the Care and Handling of Equines and other equine health and welfare initiatives;
- continuing to support scientific studies on equine health and welfare;
- requiring owners, trainers and competitors to know and follow their sanctioning organization's rules, and to work within the industry regulations in all equestrian competitions: and;
- actively promoting the development and adherence of competition rules and regulations that protect the welfare of the horse.

The standard by which conduct or treatment will be measured is that which a person who is informed and experienced in generally accepted equine training and competition procedures would determine to be neither cruel, abusive nor inhumane.

Required Prize List Information

- 1) Any horse entered in any class at a competition may be selected for equine medication control testing while at the event location.” (Article A602.5)
- 2) “Per Article A801, every entry at an EC-sanctioned competition shall constitute an agreement by the person responsible that the owner, lessee, trainer, manager, agent, coach, driver or rider and horse shall be subject to the EC Constitution and all rules of EC and any additional rules set by the competition. It is the responsibility of all individuals participating in any capacity in EC-sanctioned competitions to be knowledgeable regarding the EC constitution and the applicable rules of EC and the additional rules, if any, imposed by the competition. Do not participate in this EC-sanctioned competition in any capacity if you do not consent to be bound by the constitution and rules of EC and any additional rules imposed by the competition.” (Article A602.7)
- 3) Every class offered herein is covered by the rules and specifications of the current rules of EC and will be held and judged in accordance with the EC Rule Book. (Article A602.2)
- 4) All competitors and owners are required to become Sports License holders of Equestrian Canada and to become a member of the Ontario Equestrian. To accumulate points in order to be eligible for zone year end awards and/or to represent the zone at the Trillium Championships the competitor must be a member of the North East Zone of the Trillium Hunter Jumper Association (THJA) and must participate in a minimum of four (4) shows. Owners must be THJA members but not necessarily of the North East zone.

- 5) Except for non-core classes in Bronze Licensed shows, all Canadian entries are required to hold an EC Horse Recording and have paid the Horse Recording annual Activation Fee.
- 6) All horses attending Equestrian Canada sanctioned competitions must have met the requirements of **Article A519, Vaccinations** as follows;

“All horses attending Equestrian Canada sanctioned competitions must have been administered Equine Influenza and Equine Herpes Virus (1&4) vaccinations within 6 months (+21 days grace period) before arrival at the event. No horse shall receive vaccination within 7 days prior to arrival at the event. Horses not in compliance with this rule may be asked to leave event site at the discretion of Competition Management.

The frequency of vaccine administration should be as recommended by the vaccine manufacturer or veterinarian. It is recommended that vaccines be administered by or under the direction of a veterinarian. Competition management may request supporting documentation confirming a horse’s compliance with mandatory vaccination requirements.

In the case of a horse that is unable to receive either of the vaccines, a letter from a veterinarian on official letterhead must be provided with the entry form, stating the horse cannot be vaccinated due to medical concerns. At the discretion of competition management, a log of the horse’s temperature prior to arrival at the event site or during the event can be requested.”

For the purposes of the North East Trillium 2020 entries, proof of vaccinations must be submitted prior to or at the time of entry of the horse at the competition. Acceptable proof will be an invoice from a recognized veterinarian identifying the horse, the date of administration and the vaccines administered. If the vaccine is administered by someone other than a veterinarian we will require proof of purchase of the vaccines and an affidavit from the person doing the administration, cosigned by the owner/lease of the horse indicating the date of the administration.

Temporary EC sport licenses and horse registration will be available for purchase at each horse show. Without memberships you will not be allowed to compete at any Trillium Show. Exhibitors competing under temporary licenses and memberships will **not** be able to accrue points at that show.

EC Sport Licenses are available online from Equestrian Canada. <http://www.equestrian.ca/>

OEF memberships are available online from the Ontario Equestrian Federation. <http://www.horse.on.ca>

THJA memberships are available at <http://www.trilliumhunterjumperassociation.com/>

If the show has a Bronze license, a Bronze Sport License will be sufficient to allow competitors to compete in the non-core (Bronze level) classes and divisions.

Those competitors lacking these memberships must pay the full cost of temporary memberships and horse registration before being allowed to show. For horses without a current EC Horse Recording Number, a temporary registration must be purchased. No points will be accrued under temporary memberships or horse registrations.

- 1) The “A”, “B” and “C” Equitation under saddle classes will be held following the Pony Pleasure Hack class. “C”, “B” and “A” Equitation classes over fences may remain “Open Card” at the discretion of each show management. It can be much more efficient but it does not work with all show schedules. If an “Open Card” system is to be used, participants must be informed prior to the show day of the set schedule. Riders in Equitation classes must compete with the Horse’s number not a separate rider number.
- 2) See the attached 2020 Trillium Core Division Specifications for the classes and division to be offered at the Silver level in all shows. And see 2020 Non-core Division Specifications for other classes and divisions.
- 3) It is likely that some shows will run with a single ring and judge both days, others may have a separate jumper and hunter ring on Saturday. Shows will start their program on Friday afternoon at 4:00 pm, with the 0.75 m Jumper Division, followed usually with the remaining Jumper Divisions. Shows may also add other classes to their program. It is the responsibility of the riders and trainers to be aware of the details of shows they plan to enter. Programs will be published and available on our website at www.nethja.com
- 4) Late entry fees will apply for all shows. For the first show (Trevella Stables Trillium – May 29 - 31) entries will be considered late if they are not received by Monday May 25th. Entries may be sent in by email. They must be complete **with all membership numbers etc.** to be considered on time. Copies of membership forms and proof of vaccination can be handed in at the time of on-site registration.

- 5) A reminder that stabling requests must be in two weeks prior to the show. Inform Joe Meuleman, northeastthja@gmail.com, or info@nethja.com of your stabling requirements.
